

20th Annual
wild
IN WILLACY

July 24th, 2019

Dear Sir or Madam,

The Raymondville Chamber of Commerce is coordinating its **20th Annual Wild in Willacy Nature and Heritage Festival**. This festival has been a means of showcasing and creating awareness of our natural treasures and promoting eco-tourism in the Willacy county area. Over the years, this festival has brought in hundreds of local and out of town guests into our community. From Port Mansfield, to ranches east and west, north and south, Willacy County has abundance of diverse natural treasures. Wild in Willacy offers its guests an opportunity to experience the outdoors through tours of otherwise inaccessible ranches to its guests, while enjoying bird watching, wildlife viewing and listening to history of the toured ranches.

Thursday, October 17th, will offer a Children's program to over 400 Willacy County children promoting environmental education and an opportunity to visit different exhibits and demonstrations, along with nature photography and artwork. On Friday, October 18th, we will offer special tours to experience the outdoors. On Saturday, October 19th activities will include indoor and outdoor vendor booths, food trucks, live entertainment, school performances, style boutique shows showcasing wildlife looks, cook offs, and plenty of family fun.

The success of this event has been in part through the support of sponsorships of businesses and corporations such as yours. We are inviting you to participate as a sponsor for this years' Wild in Willacy. Listed are different opportunities. Proper signage would be located at specified interest of sponsorship.

Enclosed, please find the information needed for that level of sponsorship.

Thanking you in advance for your support,

Wild in Willacy Committee
