Fellow Patron:

The Raymondville Chamber of Commerce is coordinating its 18TH Annual **Wild in Willacy Nature Festival**. This festival has been a means of showcasing and creating awareness of our natural treasures and promoting eco-tourism in the Willacy County area . Over the years, this festival has brought in hundreds of local and out of town guests into our community over a two day period. From Port Mansfield, to ranches east and west, north and south, Willacy County has an abundance of diverse natural treasures. **Wild in Willacy** offers its guests an opportunity to experience the outdoors through tours of otherwise inaccessible ranches to its guests, while enjoying bird watching, wildlife viewing and listening to history of the toured ranches

Thursday , October 19th , will offer a Children's program to over 400 Willacy County children promoting environmental education and an opportunity to visit different art and photography exhibits and demonstrations. Friday will offer tours to Punta del Monte, East Salt Lakes, Hilltop Gardens and La Jarra Ranch ; each tour creating a different experience for its guests. Saturday, October 21st, activities will include booths, food vendors, musical entertainment, tours and even a community cook off headquartered at the Willacy County Courthouse grounds.

Over the years, the success of this event has been in part through the support of sponsorships of businesses and corporations such as yours. We are inviting you to participate in this event through your attendance, your participation and/or your sponsorship .

Enclosed, please find the information needed for any level of sponsorship that your company would like to partner with the Chamber of Commerce in.

Thanking you in advance for your support.
